

Dear Friends and Fellow Automobile Enthusiasts:

As we gather at our favorite motoring events throughout the year I am reminded how fortunate we are to be experiencing life the way we do.

The Pebble Beach Concours d'Elegance affords us the opportunity to share our favorite automobiles with other enthusiasts from around the world. And as a charitable endeavor, it also provides us with the chance to help those in need. I am proud to note that, working together, the participants, sponsors, and volunteers of this Concours have now raised well over \$11 million for people in need. In fact, we have raised over \$1 million in each of the last three years!

In 2009 I believe that we can have even more impact by focusing our efforts on the local community.

Few communities are as diverse as those of Monterey County. The people that you see at the Pebble Beach Concours are generally affluent, but a parallel community of housekeepers and gardeners, janitors and handymen reside here as well. In nearby fields migrant workers live in tent cities and struggle to make ends meet on a daily basis.

We want to do more to improve the conditions in these communities and support the people who often touch our lives in a real way. Accordingly, we have determined to recommit the charitable dollars raised by this Concours to three key organizations serving this local community: Pebble Beach Company Foundation, United Way Monterey County, and Boys & Girls Clubs of Monterey County.

I hope you will join with us to support these organizations. A donation form has been provided for your convenience.

Sincerely,
