

# CRANK GUIDE & -101 LIGHT MOUNTING ASS'Y

81

## NOTE:

LOWER SPOT LIGHT BRACKET WAS PAINTED GREY OVER "ORIGINAL" CHROME PLATE AND WAS VERY LIKELY THE ONLY BRACKET ORIGINALLY.

UPPER CHROME PLATED SPOT LIGHT BRACKET SEEMS TO HAVE BEEN ADDED - MAYBE TO RAISE LIGHT WHEN HORNS WERE CHANGED.

MAY NOT NEED TO USE BOTH - WILL SEE AT ASS'Y
